

Product Specification

Product Name: N,N'-Diisopropylcarbodiimide (DIC)

CAS NO.: 693-13-0

Molecular Structure:

Molecular Formula: C₇H₁₄N₂

Molecular Weight: 126.20

Items	Specification
-------	---------------

Appearance	Colorless to light yellow liquid
Purity (GC)	≥99.0%
Storage condition	Room temperature (0~30℃)
